

# HEY PAL!

Minnie & I are so excited to hear that you're coming to see us soon at the Most Magical Place on Earth!

All of our pals are so excited to welcome you, Pluto even took a bath and shined up his collar so he can look extra special just for your visit.

We're getting everything ready from the top of the castle, to baking your favorite sweets at the Main Street Bakery!

I hope you like fun rides, sparkling fireworks, and exciting shows... there's so much to do here- I just know you're going to have a blast.

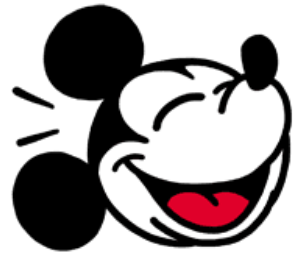

So start thinking of all the exciting things you want to do and make sure you get a picture with me to remember your magical vacation forever.

See ya real soon,
